

EXCEPTIONAL rehabilitation care in an exceptional setting.

Skilled Nursing and Rehab Care

Featuring a complete menu of post-acute and post-surgical care services delivered by experienced and dedicated staff. We work with each patient to develop a personalized, intensive rehab program including physical, occupational and speech therapy.

Long-Term Care

In addition to our therapy and rehabilitative services, we provide our long-term residents with a full complement of activities, programs and events to nurture their minds, bodies and spirits.

Respite Care

Providing short-term relief for primary caregivers, our Respite Program can be arranged for several days or several weeks.

Assisted Living

In addition to our short-stay rehab services, The Healthcare Resort of Wichita also offers luxurious assisted living apartments.
